Dear Parent/Guardian

As part of the visit to the Wanpa-rda Matilda Outback Education Centre in Barcaldine, we would like to take photos and short video clips of the children while they are conducting activities. The photos and video clips may be used on our website that will be shown to schools and other agencies to promote further use of this unique centre. It will also allow us to keep records and memorabilia of visiting schools.

To give permission for photos and video clips of your child to be taken during the camp, please sign the release form below and return it to your school's Camp Co-ordinator or Principal.

Regards,

Wanpa-rda Matilda Principal
